APSE National Update

- **APSE has recently published its latest research paper on:**
- ***'Governance, neighbourhoods and service delivery' and one on 'exploring the economic footprint of public services'***
- **New research 'INSOURCING: A guide to bringing local authority services back in-house'.....**
- **Research on going with CLES and West Lothian Council attempting to work out their economic footprint. Results will be announced at AGM in June.**
- **Possibility of doing a council wide economic benefit based upon the full range of services but awaiting a volunteer????**
- **Further research hopefully to be carried out using other Scottish Authorities**

Future Research

- **The Strategic capacity of local authorities – APSE/Inlogov 1st Stage March 2009**
- **Maximising community and local economic benefits of service delivery APSE/CLES - March 2009**
- **Green Tendering Toolkit APSE/Enviro Centre - September 2009 (Looking at sustainable procurement building green & sustainable issues into procurement contracts)**

APSE Services Update

- **Lifelong learning and development continues to develop courses on the new law surrounding corporate manslaughter, new CDM regulations and leadership**
- **The best value consultancy continues to develop positive relationships with member authorities facing service reviews and efficiencies pressures helping clients deliver meaningful outcomes to improve services**
- **The successful launch of APSE's interim solutions service has seen over 80 experienced manager's sign up to deliver interim management. APSE's survey solutions service under the best value consultancy has seen member benefit from APSE experience in customer satisfaction and engagement services**
