

COMMUNITY PLANNING – TEN YEARS ON. THE DUMFRIES AND GALLOWAY EXPERIENCE

**Liz Manson
Corporate and Community Planning Manager**

shared agenda

Community Plan

-Vision, principles and objectives

Single Outcome Agreement

-Area Profile

-Indicators and targets for the Objectives

-contributing Strategies and Plans

Thematic Strategies and Plans – alignment
exercise

Local Action Plans

Community planning at strategic level

- Joint Board
- Executive Group (recently replaced the Joint Management Team)
 - Efficiencies Group
 - Resourcing Protocol/Shared Financial Model

Community planning at thematic level

Range of different partnerships and bodies

- memberships, role and remits determined by parent bodies
 - governance
 - co-ordination
- support and links

Community planning at local level

Local Rural Partnerships

- role and remit
- membership
- Review to look at links with other local structures e.g. Council Area Committees/Management Teams, Local Health Partnerships, Third Sector Forums

Community planning – central working groups

- *New Community Plan/SOA (short life)*
- Communications
- Compact for the Public/Third Sector
- *Data Sharing Partnership (short life)*
- Demographics
- Performance management
- Public involvement
- Training

resources

- small shared budget from key partners (Council, NHS and Police)
- integrated professional resource with Council's Policy Unit and one dedicated Admin Officer
- Lead Directors from public sector partners for the five Local Outcomes
- wide range of participants

communications

Regular engagement of all methods

Publications – key documents, Conference reports, examples of good practice, Annual Reports

Web site information – feedback

Regular newsletters – factual updates

Face to face – new developments, setting priorities, engagement

what next?

- Delivering the Single Outcome Agreement
- rationalising Plans and Strategies
- changing/rationalising forums
- better quality performance indicators and targets
- focus on fewer priorities
