

Transport Health & Safety and Risk Management

Alasdair Tose
Gateshead Council

The Current Climate

- 9 people killed
- 79 seriously injured
- 1 in 3 road deaths involve a vehicle at-work
- At risk category males under 26

The Incentive

- Health and Safety at Work Act
- Corporate Manslaughter Act
- Road Traffic Act
- Goods Vehicles (Licensing of Operators) Act
- Public Enquiry
- Efficiencies and Savings

The Obstacles

- Attitude
- Media
- Budgets
- Information

The Basics – Driver Behaviour

- Belt up
- Move up
- Sharpen up
- Shut up
- Sober up
- Wake up

The Basics – Employers' Duties

- Safe vehicles, plant and equipment
- Safe systems of work
- Competent workers / drivers
- Adequate instruction, training and supervision
- Safe workplace and environment

The Gateshead Way Off the Road

- Policy
- Engagement
- Vehicle specification
- No Blame vs. Zero Tolerance
