- **Supported by in-house training programme**

What staff said....

When I first looked at the information needed for Horticulture, I thought, I won't be able to do that! But once I got into it I really enjoyed it

"I am using what I have learned, putting it into practice by getting involved in the planting out and am enjoying it very much"

"I would recommend the NVQ to others, I'll tell them how much I enjoyed it"

"I've been a Street Cleaner for 12 years and have enjoyed trying some thing new, especially the horticulture side, and I enjoyed working through the file"

Our Achievement

Future Plans

- 2nd year programme in development
- Included in recruitment & selection
- future modules – playgrounds, highways & enforcement

Thanks for your time
